*Your Zoo Like It's
Never Been Seen Before*

The ZooPlus Experience

Experience Your Zoo Like Never Before

ZooPlus is an immersive entertainment experience powered by See360Live spherical camera technology.

Using a phone, tablet, computer, or VR headset, step inside animal habitats and explore live 360° views from anywhere in the world.

**Choose your view.
Explore at your pace.
Get closer to wildlife.**

ZooPlus also helps support participating zoos, education, and conservation initiatives worldwide through ZooPlus subscription services.

The Problem

Compelling animals. Missed moments.

ZooPlus closes the gap between what guests hope to see and what they actually experience.

- **Blocked & obscured** — animals can be hidden behind rocks, foliage, or other guests.
- **Crowds at the glass** — peak-time exhibits can make the best view impossible to reach.
- **Unequal access** — not every guest can reach the best vantage point.
- **Beyond the gate** — fans, classrooms, donors, and supporters can't experience your animals live from afar.

**Turn missed moments into
meaningful experiences.**

Give every guest their own front-row view.

The Solution

One camera. Unlimited personal views.

A stationary 360° camera captures the entire exhibit while every viewer independently explores the live scene.

YOUR VIEW. YOUR WAY.

Unlimited Viewers

Everyone watches at once — each with their own view.

Full Personal Control

Pan, tilt, and zoom to explore.

You Set the Rules

Control access, mask areas, and cut the feed instantly.

Reach Anywhere

Bring the experience to guests, members, classrooms, and donors worldwide.

The Benefits

More than a camera. A new way to connect.

Extend the experience beyond the exhibit — and beyond the gate.

Accessibility & Inclusion

Give every guest a better view.

Education & conservation

Bring live animal experiences into classrooms and learning.

Reach beyond the gate

Connect with members, donors, and supporters anywhere.

New revenue opportunities

Unlock subscription revenue, sponsorships, licensing, enhanced memberships and donor incentives.

LET'S RUN A LOW-RISK PILOT.

**Choose 5 exhibits.
One camera per exhibit.
We manage the rest.**

See the value before you commit.

**Give your guests
a view they've never had.**
